General Provisions
GENERAL PROVISIONS

Sec. 2. Performance-Informed Budgeting. The amounts appropriated herein considered the physical accomplishments vis-a-vis the organizational outcome targets of departments, bureaus, offices, and instrumentalities of the National Government, including Constitutional Offices enjoying fiscal autonomy, SUCs, and GOCCs. The organizational outcome targets were formulated by the agencies to ground the existing Major Final Outputs (MFOs) and their corresponding Performance Indicators under the Organizational Performance Indicator Framework (OPIF) to the sectoral and societal goals or targets of the agency. This is the results-based budgeting system being adopted in the whole of government. Accordingly, the budget allocations for the various programs and projects under this Act are informed by, among others, the actual performance of spending units in delivering their MFOs and their impact on the sectoral and societal objectives and priorities set by the National Government, as shown in their organizational outcomes. This is consistent with the national policy of orienting the budget towards the achievement of explicit objectives and desired budget outcomes, as well as for greater transparency and accountability in public spending.

The targets set for the MFO performance indicators of agencies, stated in terms of quantity, quality or timeliness dimensions, are disclosed under the Performance Information in this Act and are considered the commitments and accountability of their respective heads of agency. Agency performance shall be assessed not only in terms of their legally mandated outputs, as reflected in their MFOs, but the impact therefrom are making on the broader organizational, sectoral and societal outcomes envisioned in the Philippine Development Plan (2011-2016) and the President’s Social Contract with the Filipino People. Achievement of said targets shall therefore be closely monitored, and shall also be used as a basis for the grant of the Performance-Based Incentives to government personnel in accordance with the provisions of R.A. No. 80, s. 2012, A.O. No. 15, s. 2011, and such other pertinent guidelines issued therein.

In the case of GOCCs, they shall likewise be guided by the performance evaluation systems to be established by the Governance Commission for GOCCs pursuant to Section 5(f) of R.A. No. 10149 as well as the Results-Based Performance Management System to be implemented across all departments, bureaus and offices under the Executive branch as mandated under A.O. No. 25.
